SUMMARY

AI-oriented Computer Engineer with experience in machine learning, deep learning, and computer vision, including generative AI, diffusion models such as Stable Diffusion, and CNNs. Curious and rigorous, I enjoy designing, experimenting with, and evaluating AI solutions through applied and research-oriented projects.

EXPERIENCE & PROJECTS

Master's Research Project (With an excellent grade of 17/20)

june 2026

Detection of Generative Steganography : Distinguishing Stegano Images from Synthetic Images

- Creation and organization of a dedicated dataset
- Design of an inversion pipeline using Stable Diffusion
- Experimental reproduction of a state-of-the-art method (NS-DSer)
- Training and evaluation of classifiers (CNN, SVM, Random Forest, FLD, etc.)

→ [View the project](#)

Computer Science Internship

May 2024- June 2024

Commercial District of Naftal – Tizi-Ouzou, Algeria

- Analysis of the company's information system
- Business process evaluation
- Technical internship report

Bachelor's Thesis

June 2024

Industrial Oil Mill Management Application

- Developed in Python (PyQt5 & Qt Designer) & MySQL
- UML Modeling
- Dissertation writing

→ [View the project](#)

EDUCATION

Master's Degree in Intelligent Computer Systems

2024 – 2026

- Mouloud Mammeri University of Tizi-Ouzou

Certifications

- [CISCO Data Analytics Essentials](#)
- [CISCO Network Defense](#)
- [CISCO Ethical Hacker](#)

LANGUAGES

- **Kabyle** : Native
- **French** : C1 (TCF)
- **Arabic** : Fluent
- **Anglais** : Fluent

HARD SKILLS

SOFT SKILLS

- **Programming Languages:** Python, C, Java, JavaScript
- **Machine Learning & AI:** Machine Learning, Deep Learning, Computer Vision, NLP, Generative AI, LLMs
- **Data Engineering:** SQL, Database Management
- **Cloud & Development Tools:** Azure, AWS, Linux, VS Code, Google Colab, Kaggle, Git/GitHub
- **MLOps & Deployment:** Docker, REST APIs, Testing, Clean Code

- Problem Solving
- Scientific writing
- Teamwork
- Analytical and critical thinking
- Intellectual curiosity
- Adaptability
- Versatility
